Patient-148 went to Dr. Michael Bradford at Nevada Orthopedic in January 2026 to receive treatment for pain.

Here is the patient's story:

I was supposed to get a cortisone shot, but this so-called doctor (Dr. Michael Bradford) came in 25 minutes late.

Dr. Bradford was in the room for less than 5 minutes and did not give me any shots or medication.

I will NEVER GO BACK to that office.
