

Patient-213

Patient-213 went to Dr. Bradley Baker at Nevada Orthopedic & Spine Center. Patient was treated badly. Doctor would not answer the patient's questions and brushed off the patient's concerns like the patient was no better than lint on his scrubs.

Patient-213 went to Dr. Bradley Baker at Nevada Orthopedic & Spine Center.

Here are the patient's comments:

The doctor treated me very poorly.

Once he decided that I wasn't in need of surgery, I was dismissed promptly.

When I tried to ask a question, he spoke over me and never answered my questions.

He left the room -- brushing me off like I was no better than lint on his scrubs.

If given a choice, I would NOT return to see this doctor.
