

Patient-239

Patient-239 went to Sunrise Hospital. Horrible experience. Dr. Zainab Gulraiz did NOT look at my previous test results, but she wanted to run an MRI (the most expensive test). Patient says "these people are criminals, we are people, not paychecks, we are patients, not profits!!" DO NOT GO TO SUNRISE HOSPITAL!!!

DO NOT GO TO SUNRISE HOSPITAL!!!

The only decent people working here are very few of the nurses, technicians and transport team members.

The arrogance of one "Doctor" Zainab Gulraiz!!!

She flat out stated she had not even gone over any of my previous test results and wanted to run an MRI based on nothing at all other than her own big-headed opinions.

The attitude she gave me when I told her other doctors refused to run the types of tests she was suggesting was ridiculous!!

She stormed out of my room when I told her I refused to listen to any advice she had to give based on the feedback of other doctors who had actually been taking care of me.

She brought in another doctor to speak for her the second time she decided to show up, and he had the gall to roll his eyes as he walked out when I told him I would be seeking opinions elsewhere.

These people are criminals -- only seeking to charge patients more, while they do less.

We are people -- not paychecks!!

We are patients -- not profits!!

The fact that this hospital even advertises themselves as a for-profit organization speaks volumes to the level of care they provide.

DO NOT GO TO SUNRISE HOSPITAL!!!

I will be contacting the patient advocate line that has been provided time and time again on every negative review this facility has received.

Although I expect the same snotty attitudes from them, given the fact they work for the same corporation. We shall see.

Once more, for the people who have read this far....

DO NOT GO TO SUNRISE HOSPITAL!!!

If you are ever seen by Zainab Galraiz, take her opinions with a grain of salt and refuse any tests she suggests until you get a second opinion by a doctor who actually bothers to go over your results before suggesting the most expensive tests available.

Patient-239 says:

DO NOT GO TO SUNRISE HOSPITAL!!

We are people -- not paychecks!!

We are patients -- not profits!!

Just say NO to Sunrise Hospital
