

Patient-245

Patient-245 went to Sunrise Hospital. Worst hospital she has ever been in. Rude and judgmental. Would give them a negative 100 review. Patient says she will crawl to a different hospital next time, even if she was injured right in front of Sunrise Hospital. Thumbs down in every way!!!

Patient-245 went to Sunrise Hospital.

This was the worst hospital I have ever been in.

Next time, I would crawl to a different hospital -- even if I were injured right in front of this place (Sunrise Hospital).

There were rude and judgmental from the moment I walked in.

I wouldn't treat anyone the way they treated me.

I would give them NEGATIVE 100 REVIEW, if possible. They made me give at least one star to be able to leave a review.

My visit there was the most horrible of any medical situation I have ever had.

Thumbs down in every way!!!

Just say NO to Sunrise Hospital
