

Patient-323

Patient-323 went to Sunrise Hospital. Patient was placed in a crowded hallway, then moved to a small, noisy room with more than 20 patients. No beds. Only chairs. No sleep. Nobody cares about the patients. (Other patient stories have also described this small room, with 20 patients in chairs, no beds, and only one bathroom. They say it is known as the "refugee camp" at Sunrise Hospital.)

Patient-323 went to Sunrise Hospital.

Patient was admitted to Sunrise Hospital -- just to be put out in the hallway at 3:30 a.m.

She was being ignored by the nurse for her pain and not being able to sleep because of the loud noises they are all ignoring.

Finally got moved to a room at 8:00 a.m.

NOT GOOD!!! Horrible room!!

It's a very small room with 20+ people in it, with nothing but chairs (no beds).

It turns out I'm the only one in the room who did NOT get a reclining chair, so I am now 29 hours with no sleep and not one person cares!!

Choose a better hospital!!

This is a stock photo intended to show a large group of people crowded together in chairs at the hospital. In the story of Patient-323, there were more than 20 people in a small room.

Just say NO to Sunrise Hospital
