

Patient-325

Patient-325 went to Sunrise Hospital. Patient's family says this hospital is the worst, low budget death trap!! They do NOT provide adult diapers and leave the patients lying in filth. Senior patients are put through horror. The nurse took the elderly patient's phone and would NOT give it back. They sent the patient to a nursing home but would NOT tell her family where she was. Stay away from this place. Worst hospital ever!!

Patient-325 went to Sunrise Hospital.

This hospital is the worst low budget death trap in this town.

The Emergency Room (ER) is a joke except it's unfunny that seniors are put through the horror of going here.

Nichelle in the ER took my mom's phone away from her and would not give it back.

It's amazing to me that you have my address to mail me a bill, but no one bothers to mail the cell phone they stole from us.

Worst hospital ever!!

Stay away from this place!!

They can't afford diapers. If your mom is incontinent, they let her lay in her filth.

If they have to send your mom to a nursing home to rehab, they do so without telling you where they will send her, and you have to call the nursing homes to find out where your mother is.

Worst hospital ever!!

All employees are on a different page and hate each other.
