

# Patient-57

**Patient-57 is another patient harmed by Dr. Michael Bradford. Had shoulder replacement surgery. Patient needs help but cannot get a follow-up appointment. No response from Dr. Bradford or his office. This is a very common complaint about Dr. Michael Bradford and Nevada Orthopedic & Spine Center.**

Dr. Michael Bradford (with Nevada Orthopedic & Spine Center) did my shoulder replacement surgery in September 2024.

I have been trying to have another follow-up appointment with him, but I am unable to do so because his office never responds.

**It is very frustrating to have a doctor who is not responsive to their patients.**

**Note to the reader:** We have heard this same complaint many times from other patients of Dr. Michael Bradford and Nevada Orthopedic & Spine Center.

**I will NEVER RECOMMEND DR. BRADFORD.**

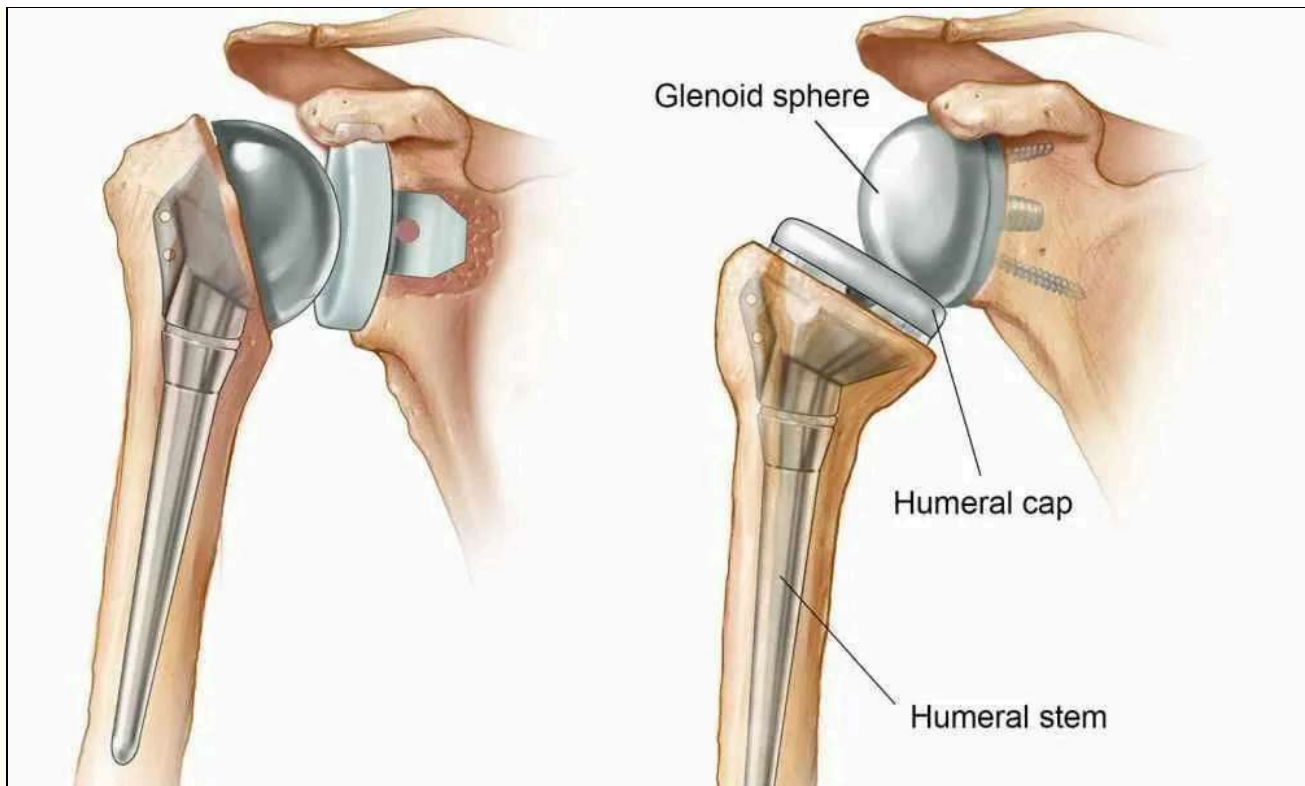

My surgery wasn't perfect, but since his office never responds to me, I cannot even get a follow-up appointment.

Physical therapy people told me that my shoulder has not improved.

**What is wrong with these people!!**

I am truly disappointed in their service.

**I will NEVER recommend his office for anything.**

**Just say NO to joint replacement surgery  
and just say NO to Nevada Orthopedic  
and just say NO to Dr. Michael Bradford**
