

# Patient-85

**Patient-85 is another patient who had a bad experience with Dr. Kevin Laroche at Nevada Orthopedic & Spine Center. Absolute worst customer service. Doctor asked the patient what to do and gave no advice.**

**Aside from the staff having the absolute worst customer service, the patient care is just as bad. In fact, worse.**

This is by far the worst experience I have ever had.

I paid over \$400 for an MRI that Dr. Kevin Laroche (with Nevada Orthopedic & Spine Center) looked at for literally 2 seconds. Explained NOTHING.

And told me to try exercises and a brace for 6 months. Done. Didn't work.

Go to the follow-up visit.

**Waited an hour for the idiot to come in and ask ME what to do.**

**You're the "Doctor" -- not me. I come to YOU for those answers. I walked out.**

**Not sure how Dr. Laroche became a doctor, but he should be stripped of his degree and license.**

**This place is a joke. It's disgusting due to the service.**

**And the incompetent doctor should be ashamed of himself.**

Patient went to the follow-up visit. He waited an hour for Dr. Laroche to come in and ask ME what to do. The patient said:

**You're the "Doctor" -- not me. I come to YOU for those answers.**

**(The patient walked out and says the doctor should be ashamed of himself.)**

Patient-85 had a bad experience with Dr. Kevin Laroche at Nevada Orthopedic. Absolute worst customer service. Doctor asked the patient what to do and gave no advice.

**Just say NO to Nevada Orthopedic  
and just say NO to Dr. Kevin Laroche**
