Patient-91 received several incorrect diagnoses at Sunrise Hospital. Claiming she had several different health conditions that were not true. Now she is wondering about her previous encounters (and possible misinformation) with Sunrise Hospital.

This is the WORST hospital EVER!!!!

How they even have awards is beyond me!!

The doctors at Sunrise Hospital misdiagnosed me COMPLETELY!!

I don't NOR have I ever had Ischemia.

I had Apraxia of the eyelid.

I never had a stroke or nothing.

I never had a flare up! Inflammation - none of that!!

I'm so mad. I never want to be checked into that hospital again!

They have never treated me right.

And now I'm beginning to wonder about my past occurrences.
