On the contrary, I was hit with a \$20k bill.

Insurance not applied, and it has been a complete nightmare getting it resolved.

**Avoid Sunrise Hospital or deal with the consequences.**

They don't care about patients. They want the ability to admit and bill you outrageously.

**Service was so bad that I pulled my IV out and left!!!**

**How do you leave a hospital worse than when you went in?**

**This place will kill you if you allow them!**
