CLASS DESCRIPTIONS

GLADIATOR BOOTCAMP

GLADIATOR BOOTCAMP

The Gladiator Bootcamp is a 60-minute class that incorporates light to moderate weight training, cardio, and kickboxing techniques! This dynamic and high-energy program will have its members feeling like they are part of a team. Along with strength-building exercises, you'll learn powerful kickboxing techniques to improve coordination, stamina, and agility, all while boosting your cardiovascular fitness.

Kickboxing is a full-body workout that blends martial arts and boxing, using punches, kicks, and footwork to engage multiple muscle groups, enhancing both strength and endurance. It's an effective way to burn calories, increase flexibility, and improve your mental focus. Whether you are looking to tone your body or relieve stress, kickboxing adds an exciting and challenging element to your fitness routine.

This class is perfect for anyone with goals of weight loss, muscle gain, fat burning, and overall health improvements. As a member of this program, you'll also gain access to a private Fitness page to help with your progress, providing motivation, nutritional pointers, and tips to MAXIMIZE your fitness goals! Coach Caesar is available to answer any questions and guide you throughout your journey.

JR GLADIATORS

JR GLADIATORS

The JR Gladiators program is for children ages 8-12 years old. This class will help develop basic fundamentals in athletics, overall strength and health. Our JR Gladiator is fit for all kids looking to bring out the athlete within them! We offer everything your child will need for speed, agility, and team building skills. Bring your child in to help not only keep them active, but help them learn training skills they need to succeed in the future!
