

Summer Reading

for students entering 1st and 2nd grade

Dear families,

We want to encourage students to enjoy reading this summer! Please help your child to participate in summer reading. Allow your child to choose books that interest them, so long as they are age-appropriate. You may read with your child if necessary. The goal is instill a love of reading.

Encourage your child to complete a book report for one or two books they read during the summer using the attached form. For each completed book report turned in to their reading teacher on the first day of school, students will receive 10 bonus points on a test (up to two tests total).
