

## PATRUUNA'S DINNER

*“Patruuna” was the title used for a factory owner. One of Finland’s most prominent industrial patrons was Walter Ahlström, who played a significant role in the development of Varkaus. Step into the shoes of a factory director and enjoy a dinner in the elegant Patruuna Salon. With its dark wood, velvet furnishings, and an atmosphere reflecting the dignity and spirit of a bygone era, the salon takes you on a journey into the glamour of the past.*

The dinner experience includes:
