

RELIABLE
SCREEN SUPPLY

STANDARD PLEATED RETRACTABLE SCREENS

GOLDEN PIN
DESIGN AWARD

STANDARD PLEATED SYSTEM

PRODUCT FEATURES

Can be retained in the aluminum panel and fit in all types of windows and doors. Mesh is made with eco friendly materials, it provides clear vision and is highly breathable.

Design allows easy installation and easy maintenance. No need to remove any screws or frames for changing the mesh.

1. Patent Design:
The cord box can be easily detached

2. Cord tension Adjustment:
Better tension of the cords means better performance

3. Wind hooks:
More wind resistant, prevent from mesh blowing off the track

4. Easy Remesh:
Remesh the screen by simply taking out the plastic component
