Part of Your World (from The Little Mermaid)

Look at this stuff, isn't it neat?
Wouldn't you think my collection's complete?
Wouldn't you think I'm the girl, the girl who has everything?

Look at this trove, treasures untold,
How many wonders can one cavern hold?
Looking around here you'd think, "Sure, she's got everything",

I've got gadgets and gizmos a-plenty,
I've got who-zits and what-zits galore,
You want thingamabobs? I've got twenty!
But who cares? No big deal!
I want more!

I want to be where the people are,
I want to see, want to see them dancing,
Walking around on those, what do you call 'em? Oh, feet!

Flippin' your fins, you don't get too far,
Legs are required for jumping, dancing,
Strolling along down a, what's that word again? Street!

Up where they walk, up where they run,
Up where they stay all day in the sun,
Wandering free, wish I could be, part of that world!

What would I give if I could live out of these waters?
What would I pay to spend a day warm on the sand?
Bet you on land they understand,
Bet they don't reprimand their daughters,
Bright young women, sick of swimming, ready to stand

And ready to know what the people know,
Ask 'em my questions and get some answers,
What's a fire and why does it, what's the word? Burn?

When's it my turn?
Wouldn't I love, love to explore that shore up above?
Out of the sea, wish I could be,
Part of that world.
