# George County School District

*"From the desk of..."*

*Wade Whitney, Jr  
Superintendent*

George County Family,

With the Thanksgiving holidays fast-approaching, I would like to take this opportunity to personally thank every employee in the George County School District for what each of you are doing every single day to ensure the success of our students, our local schools, and our school district. I am so very honored and humbled to be able to work every day alongside the most dedicated professional educators in the entire state of Mississippi. With that being said, I am also a firm believer that there is a direct correlation between the quality of the work of our employees and the success of our school district. This correlation – and the fruits of your hard work – has been validated with our district earning back-to-back-to-back “A” rankings! Thank you and congratulations!

We would also like to wish every high school student that is scheduled to take their state test in December the very best of luck. Parents/guardians of students who are testing are strongly encouraged to impress upon their students the importance of being present every day for testing – and how they are expected to do their absolute very best on their upcoming exams.

Next, we would like to congratulate several of our fall athletic teams on their successes this past season. Congratulations to our varsity football team for qualifying for the state playoffs and defeating the defending state champions in the first round, congratulations to our varsity volleyball team for advancing to South State, and congratulations to both our golf teams and cross country teams on successful seasons. Our players and coaches continue to be exemplary ambassadors for our local schools, our school district, and our community.

Also, we continue to encourage our parents to stay connected with our school district by regularly visiting our district web page, our district Facebook page, our GC Phone App, and our GC Instagram page. Please take advantage of each of these digital platforms in an effort to receive the most accurate and up-to-date information about your student’s school and school district.

Thank you for your continued support, your relentless pursuit of greatness, and your unquestioned commitment to becoming the “absolute best school district in the entire state of Mississippi!”

As always, it is my honor and privilege to serve this district as Superintendent – and I will never take this huge responsibility for granted. Continue to remain healthy and safe, and do not forget "there's no better time than right now to be a George County Rebel!"

Regards,

*Wade Whitney, Jr.*
