Through increased participation and the implementation of creative, health-focused initiatives, they've successfully promoted nutritious eating habits among both students and staff. Their commitment to excellence and innovation truly sets them apart!

## DISCOVERY KITCHEN FUN

### Let's Get Cooking

We're celebrating scratch cooking and preparing meals together for Let's Get Cooking month. In the cafeteria, we'll highlight the flavors of homemade foods and empower students to make some of our own recipes at home with family and friends. Since the holidays are right around the corner, we thought this was the perfect time to get everyone excited about cooking together!

Enjoy a taste of Discovery Kitchen at:

(L.C. Hatcher 11/4/25 / L.T. Taylor 11/6/25 / Benndale 11/18/25)

### October Highlights

October may have been a short month, but it was packed with exciting events! We celebrated **National School Lunch Week**, which concluded with a flavorful **Global Eats** experience. This month's featured country was **Mexico**, and we served up **Mojo Nachos with Elote Corn**, a big hit with both students and staff!

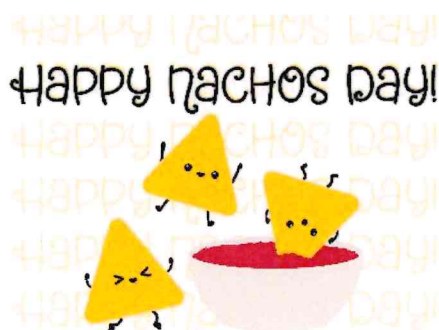

We also hosted **Popcorn Day** at the high school, where we engaged students and staff through surveys to gather feedback on our current offerings and ideas for new menu items. Both events brought great energy to the high school and helped us connect more closely with our school community.
