REST IN PEACE

OVEN BAKED TACOS

2lb Ground Beef
1 can refried beans
1 can of tomato sauce
1 packet of taco seasoning
1 oz shredded cheese
12 tortillas/taco shells

First brown your taco shells or tortillas in the oven for 7-10 minutes until they are crispy. Place them standing up in a lightly greased casserole dish. Next brown your ground beef in a large skillet, drain all grease. Over a low heat add refried beans, taco seasoning, and about half to two-thirds of the tomato sauce. Blend well and scoop into the tacos. Then sprinkle the cheese over the tacos and bake at 375 degrees for about 10 minutes. Add sour cream, picante' sauce, guacamole as desired. And enjoy!!
