Martin Luther King Day is a relatively new federal holiday and there are few long standing traditions. It is seen as a day to promote equal rights for all Americans, regardless of their background. Some educational establishments mark the day by teaching their pupils or students about the work of Martin Luther King and the struggle against racial segregation and racism. In recent years, federal legislation has encouraged Americans to give some of their time on this day as volunteers in citizen action groups.

Martin Luther King was an important civil rights activist. He was a leader in the movement to end racial segregation in the United States. His most famous address was the "I Have A Dream" speech. He was an advocate of non-violent protest and became the youngest man to be awarded the Nobel Peace Prize. He was assassinated in 1968. There is nothing more tragic than to find an individual bogged down in the length of life, devoid of breath, Whatever your life's work is , do it well. A man should do his job so well that the living, the dead, and the unborn could do it no better.

Property is intended to serve life. And no matter how much we surround it with rights and respect, it has no person being. It is part of the earth man walks on. It is not man. I have decided to stick with love. Hate is too great a burden to bear. Freedom is never voluntarily given by the oppressor: it must be demanded by the oppressed. It may be true that the law cannot make a man love me, but it can keep him from lynching me, and I that's pretty important. There can be no deep disappointment where there is to deep love. War is a poor chisel to carve and tomorrow.
