THANK YOU for volunteering your time to be a volunteer coach!

Welcome

Welcome to **2021 Bridgewater Softball**! We are extremely thankful to you for volunteering your time to support the league and the players. It should be a rewarding experience for coaches, players and parents.

The number one goal is to have fun and teach the fundamentals of softball (running, throwing, catching, batting and becoming a teammate).

This season will set the foundation for a fun and exciting future in Bridgewater Softball. With this in mind, we have set some goals for the season.

- Each player will learn to properly throw and catch a softball.
- Each Player will be able to hit a ball pitched by the coach in the beginning and hit a ball pitched by an opposing pitcher by the end of the season.
- Each player will understand the basics of base running and know every position.
- Each player will begin to learn the vocabulary of the game.
- Each player will learn the proper conduct both on and off the field. This includes staying on the bench while your team is at bat, being a good sport, and learning about being a teammate.

***** Manager/Coaches – Important *****

This is a game for the kids. We are volunteers here to support the kids. Let's be patient. Mistakes will be made. Let's set a good example for the kids on how we handle them.

Encourage good sportsmanship and be positive.

Report any incidents to your commissioner immediately. They will be recorded and reviewed by the Board to see if necessary action needs to be taken during the season.

Any major incidents will be taken into consideration upon applying to manage or coach for the following season.

Roster Rules

1. If there are more than 10 players, the players should be on the bench or being instructed with coaches on the side.
2. If one team is short on players, players from the competing team can be shared on a rotating basis each inning.
3. The shared players should play the outfield only & will only bat on their own team not on the team short on players.

FAIR PLAYING TIME RULE

No player may sit two innings until every player has sat one complete inning.

- a. The intent of this rule is to prevent players from playing the whole game while other players sit 2-3 innings a game.
- b. Except for injury, no player sits two consecutive innings.
- c. No player may sit more than two innings in any game including ones which go beyond the standard 6 innings.
- d. After six innings a player may sit a third inning provided every player has sat at least two (2) innings already.
- e. If there is an exception, the manager will be expected to justify it.

If a manager intends to sit a player for an entire game for disciplinary/behavioral reasons or injury, this must be declared to the umpire and to the opposing manager before the game.

- a. If a **behavioral problem occurs during a game**, the player's manager must immediately notify the opposing manager and the umpire of the benching and must notify the Commissioner that day.
- a. If a **behavioral problem occurs during a practice**, the Commissioner must be told before the next game about the intent to have that player sit out the game.
- b. If the **reason is disciplinary**, the player's family and the Commissioner must be notified. Discipline problem is defined as a behavioral problem that occurs during a game or practice, and is unduly disruptive in the opinion of his manager.

Batting

1. All players will bat, regardless if they are playing the field or not.
2. All players in attendance at the game when it starts will be in a continuous batting order.
3. Anyone arriving after the start of the game will be placed at the end of the line-up.
4. Bunting is permitted.
5. When a batter gets hit with a pitched ball the umpire will give the batter the option to either take the base (1st) or bat again.
6. The Manager will set the lineup for the game and the players should sit on the bench in the correct batting order.
7. All players remain on the bench when their team is up.
8. Only ONE person at a time in the batting cage and wearing a helmet.
9. Players cannot swing bats outside of batter's box when warming up.

Base Running

1. A base runner **may NOT lead off** a base
2. Stealing **is permitted from second to third only**
3. A base runner **cannot steal home on an overthrown throwdown**
4. The runner can leave the base for a steal only after the ball has passed the plate
5. At the end of a play, runners **may not advance** once the pitcher has control of the ball within the vicinity of the mound
6. One base on an overthrow to first and third base
7. A player is allowed to slide, but the must slide rule will not be enforced

Pitching

1. **Pitching rubber:** should measure **40 feet** from the back of home plate
2. Only the players will pitch during games – coaches will not be allowed to pitch
3. Pitchers should start their delivery with one foot on the rubber
4. A coach may use his/her discretion to move a pitcher in by no more than one foot if a pitcher is missing the plate
5. The pitcher must finish their delivery within the pitching circle
6. **Players who are not able to reach the plate from one foot in front of the pitching mound will not be allowed to pitch.** This is a safety issue for pitchers, catcher and batter. **There are no exceptions**
7. A pitcher change is recommended if there are four (4) consecutive batters walked or hit during the same inning up to the coach's discretion
8. A pitcher is not to pitch more than three (3) innings per game unless absolutely necessary
9. Pitchers must wear a fielding mask. No exceptions. Position players are not required to wear a fielding mask but is it highly recommended, especially young and inexperienced players.

Fielding

- **Field Size:** Base paths should measure **60 feet**
- **There is a three (3) out or maximum of five (5) runs per inning**
- Maximum of 10 players on the field for defense
 - **Infield Positions:** 1B, 2B, 3B, SS, C & P
 - **Outfield Positions:** LF, LC, RC, RF. (Outfielders are to be placed on or beyond 15 feet from the bases or be on the grass area of the outfield. Don't position players to appear to have 2 sets of infielders. Standing behind a 2nd base is not a position)
- **Important:** Unless there is a safety issue, players should be rotated to different positions in the field so they can learn all positions and should be rotated between outfield and infield every inning as much as possible
- A player should not play the same position for more than two innings. Playing different positions will broaden the players understanding of the game. Use your best judgment.
- **Infield Fly Rule is NOT in effect.**
- Coaches shall not be placed on the field during play.
- Players should be permitted to make all fielding plays. Coaches should not interfere with any ball that is in play.

3. Players must wear their full uniforms (pants, shirt, socks, and hat) during games. Shorts are not acceptable
4. Players **must bring their own glove** and are welcomed to bring a bat
5. We strongly urge parents to write the players name and phone number on all equipment
6. Only ASA approved bats may be used
7. Players should wear plastic spikes. Sneakers and soccer spikes are fine. Opened-toed foot apparel is not permitted. **No metal cleats**
8. A twelve inch "hard" ball will be used for all practices & games
9. Players should dress appropriately based on weather conditions, cold, heat, rain, etc.
10. Players should bring their own water on hot days
11. Although a fielding mask is not mandatory for position players (it is mandatory for pitchers), **it is highly recommended**

Rain Outs & Lightning Policy

1. In order to determine if a game is cancelled due to weather, please check <http://www.bridgewaterbsi.com> under the Field Conditions tab or call the recreation department hotline at 908-526-7107, after 4:00pm.
2. The web site will say "Open" or "Closed". If closed, please contact the other manager to confirm the cancellation and then contact your parents. Email communication is the recommended way and probably the most efficient way to communicate
 - a. If games have not been canceled, the two managers should show up at the field or contact each other to make a determination as to whether the game could be played.
3. It is not required to make-up rain out games in Majors softball. If both managers want to, they can work with the league commissioner to try to find a date and field to reschedule the game.
4. In case of **LIGHTNING**, a thirty (30) minute postponement applies to all current games at a specific location. All people must seek shelter (in vehicles). If after thirty (30) minutes, lightning is still sighted, a Board Member, Commissioner, or a Senior Umpire can decide to cancel the game(s).
5. If lightning returns after play has resumed, the thirty (30) minute postponement starts over. The time limit for the game will remain in force during the lightning delay - no extra time will be granted for the delay for recreation games. The game(s) will automatically be cancelled upon the start of a second (30) minute lightning delay.
6. The cancellation of an earlier game, due to lightning, does not necessarily cancel all later games.
