

PLAY ToPiA™

REDUCE. REUSE. RECYCLE. PLAY!

VOLUME 4

POLYTUF  
POLYFORCE

play inspired by the

A black and white photograph of a group of children laughing and playing with a large net. The children are in the background, and the net is in the foreground, creating a sense of depth and movement. The text "the sound of laughter" is written in a cursive font across the middle of the image.

*the sound of laughter*

redefining

playgrounds

one **milk jug**

at a time

# REDUCE REUSE RECYCLE PLAY

Take a brief moment to look around at the natural world we live in. It's breathtaking and awe-inspiring. We, as inhabitants of this beautiful place we call home, have a duty to take care of it.

While we can do small things to be environmentally conscious, purchasing a playground made from recycled materials is a HUGE way EVERYONE can contribute to helping the environment.

**Consider this** - on average, each Playtopia manufactured play structure contains nearly 25,000 recycled milk jugs *(or 150,000 plastic water bottles)!*

At Playtopia, we are proud of the positive impact that every one of our playgrounds has on the environment.

[sales@outdoorescapesco.com](mailto:sales@outdoorescapesco.com)

*Green is the prime color  
of the world, and from  
that which its loveliness arises.*

- Pedro Calderon de la Bara

# SUSTAINABLE

## A WORD THAT IS OFTEN USED

In manufacturing, “sustainability” means making products that are designed not only for the current generation, but for future generations. Sustainability also protects the world we live in. We are making a commitment to sustainability by continually incorporating new ideas into creative, eco-friendly products.

At Playtopia, sustainability equals innovation. Manufacturing playgrounds comprised of reclaimed plastics ensures we are doing what we can to protect our environment. Feel confident when you purchase Playtopia products because you are contributing to the preservation of the environment as well.

### DID YOU KNOW...

in the last three years of operation, Playtopia has recycled over **3,000,000 milk jugs** within their play equipment.

# Playground Designs with you in mind

At Playtopia our design team will listen to your playground needs and desires, and turn them into reality. We will incorporate design AND safety, to build a superior playground. Your ideas, your dreams  
**YOUR REALITY!**

# discover

THE **PLAYTOPIA** EXPERIENCE

## DECK PLATFORMS

Our deck platforms feature a non-slip wood grain texture to prevent slips & falls while your kids play!

## HDPE PANELS

Our HDPE panels feature the largest selection of colors available. Check out *page 57* for options!

Kids know that Playtopia playgrounds are fun! You know that Playtopia playgrounds are safe! Every product we manufacture meets or exceeds all playground industry standards including ASTM F1487, CPSC Guidelines for Public Playground Safety, and all requirements for playground accessibility as required by the ADA and ASTM F1457 standards.

## METAL FEATURES

Superdurable powder is used to coat metal features unlike solvent-based wet paint. The primer used is lead-free, pollutant-free, and does not create hazardous waste!

## SOLID SUPPORT

Sturdy 6x6 post supports ensures your playground will be around for many years to come!

## ROTATIONAL MOLDS

Our rotational molded products feature UV inhibitors to help prevent fading. Thirty-two color options available!

PROJECTS  
WE'RE PROUD of!

WATCH OUT FOR  
THE CANNONS!

## WINTERSMITH PARK

City of Ada, OK

The wonderful people from the City of Ada, Oklahoma decided they were tired of the same old, typical play structure and decided on a playground that offers TRUE sustainability. Their desire for a playground capable of blending into the natural environment was a feature easily accomplished by Playtopia. Playtopia's recycled plastic lumber structures are a natural fit for any outdoor setting!

ALL ABOARD!

### AAA PLAYGROUNDS

We'd like to thank our great friends at AAA Playgrounds (Edmond, OK) for both selling & beautifully installing this structure!

Can you make it across  
the crocodile bridge?!

This ship is heading  
towards a "boat-load" of fun!

The safety of children is  
Priority #1 at Playtopia!

" The people at Playtopia did such an incredible job at coming in and realizing our vision for what we wanted our kids to have. From the beginning they ensured our needs were met every step of the way. They are truly professional playground people. I can't say enough good things about how they handled our project. "

- Tracy Lair, KidTown Director

Kids love Playtopia!

What stories can you tell  
in our Storybook Nook?

## KIDTOWN Preschool & Daycare Cynthiana, KY

Kids love our slides!

The kiddos at KidTown Preschool & Daycare have a beautiful view from anywhere on their playground. The natural cedar look of Playtopia's manufactured, recycled lumber blends in nicely with any surroundings.  
( Look at the view those kids have )

# WELCOME TO COZYTOWN!

Our CozyTown Playhouses create a small town environment so kids can feel right at home!

INDOOR  
OUTDOOR  
USE

**CozyTown** provides kids with an imaginative way to live in the grown up world. They can be firefighters, police officers, postal workers, or anything they dream to be.

Traditional playground equipment provides a great avenue for children to expend physical energy - but **CozyTown** opens the door to a wonderfully different world of play: a world that challenges kids to dream about and seek out, what the future might hold for them.

Our playhouses complement any playground, or can be combined to create your own **CozyTown Village** where your kids can feel all grown up!

## GRANNY'S HOUSE

**600-014**

**To Grandmother's House we go!**  
What's more fun than visiting Granny's House? This playhouse makes a great addition to any play area.

**DIMENSIONS:** 107" x 60" x 85"  
**PLAY CAPACITY:** 2-8 Kids

**AGE GROUP:** 2 Years - 5 Years

## POLICE STATION

**600-015**

**Kids in Blue!**  
Many children grow up dreaming of being a police officer. This playhouse is a great place to learn what it means to Protect & Serve!

## WARRANTY CERTIFICATE

### PLAYTOPIA, INC.

warrants that the equipment sold will conform in kind and quality to the specifications listed in our product specifications documentation and be free of defects in the workmanship or materials.

**LIMITED LIFETIME** on all Playtopia 6" x6" recycled posts, post caps, and stainless steel hardware against failure due to rust-through corrosion, deterioration, insect infestation, exposure to weather, or workmanship.

**15 YEAR LIMITED WARRANTY** on all recycled deck platforms, stairs, ramps, bridges, against structural failure due to deterioration defects in materials or workmanship.

**10 YEAR LIMITED WARRANTY** (only when purchased as part of a complete playground structure) on all polyethylene (panels, slides) and steel (climbers, overheads) against structural failure due to deterioration defects in materials or workmanship. This warranty excludes cosmetic issues arising from use.

**2 YEAR LIMITED WARRANTY** for structural failure of moving parts, swing seats, and any other product or part not covered by one of the above warranties. This covers rust-through corrosion, defects in materials, or workmanship.

The above warranties do not cover scratches, dents, marring, warping, fading of colors and discoloration due to weathering, or acts of vandalism, and are valid if the structures are erected in conformity with the layout plan and/or installation instructions furnished by the seller; have been maintained and inspected in accordance with the seller's instructions and other normal prudent practices; have been subjected to normal use for the purpose for which the goods were designed; have not been subjected to addition or substitution of parts; and have not been modified, altered, or repaired by persons other than the Seller's designees in any respect which, in the judgement of the Seller, affects the condition or operation of the structures.

All warranties commence on the Seller's invoice.

Should any failure to conform to the above express warranties appear within the applicable warranty period, Seller shall, upon being notified in writing promptly after the discovery of the defect and within the applicable warranty period, correct such non-conformity by issuing new parts. Replacement parts will be warranted for the remainder of the original warranty.

To make a claim, MAIL your written statement of claim, along with digital photos and original invoice

- ✓ 100 year limited warranty on aluminum and steel upright posts against structural failure due to deterioration, corrosion, or workmanship.
- ✓ 100 year limited warranty on hardware against structural failure due to deterioration, corrosion, or workmanship.
- ✓ 100 year limited warranty on post caps and clamps against structural failure due to deterioration, corrosion, or workmanship.
- ✓ 15 year limited warranty on rails, rungs, rigid climbers, loops and decks against structural failure due to deterioration, corrosion, or workmanship.
- ✓ 3 year limited warranty on all blow molded plastics against structural failure due to materials or workmanship
- ✓ 1 year limited warranty on cables and nets against premature wear due to natural deterioration or manufacturing defects.
- ✓ 1 year limited warranty on moving parts against structural failure due to materials or workmanship.
- ✓ 1 year limited warranty on all models of bouncers against structural failure due to materials or workmanship.
- ✓ 1 year limited warranty on all materials and products not specifically listed above against failure due to materials or workmanship.

Warranties to original customer for as long as the original customer owns the product and uses the product with normal use and installation in accordance with published specifications to be free from defects in materials and workmanship.

This warranty does not cover damage from misuse, vandalism, modified parts, or damage such as dents, scratches, fading/weathering and normal wear and tear. The warranty does not cover the cost of freight or labor for removal and installation of repaired or replacement parts.

Warranty claims must be filed within the applicable warranty period. Replacement parts carry the applicable warranty from the date of shipment of the replacement part.

Repair/Replacement orders for warranted products will be for the component part only. (Not the entire product.)

Warranties are limited to repair or replacement of defective parts. A repaired or replacement part is covered only for the original warranty period. All warranties begin on the delivery date of the goods. Warranties are non-transferrable and only apply to end users who purchase new products from us or authorized distributors for personal or business use and not for purpose of re-distribution or re-sale. No other warranties apply.
