WHAT SETS E.A. QUINN APART?

1

COMMUNICATION

Each project is assigned a Project Manager and Superintendent, along with their direct contact information to ensure constant accessibility. Superintendents undergo training to exhibit responsiveness and attentiveness to all involved parties.

2

PROACTIVE

We utilize a company-wide continuous improvement philosophy, with the goal to build an intimate knowledge of each project to ensure a seamless installation.

3

COST CONSCIOUS

We take a fiscally responsible approach to all of our customer's projects installation needs without sacrificing quality.

4

BACK OFFICE SUPPORT

Our back office team excels in proactivity, consistently ensuring the prompt delivery of essential documentation and timely billing processes. We have implemented a robust system for rapid response to inquiries, ensuring that any questions or concerns are addressed with utmost speed and accuracy.

5

SAFETY

Employees undergo background checks, preemployment drug tests, attend weekly safety meetings, and hold OSHA-10 certification. All superintendents hold OSHA-30 certifications. EA Quinn maintains a top-tier workers' compensation EMR rating. 6

HIGHLY TRAINED STAFF

Employees frequently attend seminars on best practices, latest trends and proper equipment use. Our knowledge and attention to detail outpaces the competition.

7

PROFESSIONALISM

Employees are dressed in uniforms. All trucks and equipment are branded and easily recognizable. Employees strive to foster good relationships and coordination with other trades for a seamless installation on projects.

WHAT OUR CUSTOMERS ARE SAYING

I have used E.A. Quinn since first working with them in 2007. They pay attention to detail, and their professionalism is second to none. If the client isn't happy they will always make it right and stand behind their materials and workmanship. In 13 years of doing work for me, never once have they waivered or taken shortcuts. They are the best landscaping company I have worked with.

- A. Robert

Honestly, if it were up to me, you would be on all of our projects. You guys are the best we've worked.

- Matt

EA Quinn provides a team approach to working with other subcontractors. Always willing to others help out in an effort to get the job done on time. Pleasure to be involved with on a job.

- Dwayne

Working with E.A. Quinn has been a great experience. Poncho is fabulous! E.A. Quinn is one of the few companies I don't have to worry about on this job!

- Rick

Everything looks terrific. I was very impressed with your teams, especially with respect to adhering to the safety standards. I did not have to remind them of anything. I think I can count on one hand the number of contractors that I did not have to point out a safety item.

- John
