FULLTEC

**Fulltec Oil** is a highly concentrated blend of vegetable oils, emulsifiers, acidifiers, and surfactants. This exclusive superior formulation increases herbicide activity without compromising plant health.

## Main Benefits:

**Safety**

The premium formula delivers better weed control with less plant stress.

**User-friendly**

A superior blend of highly concentrated vegetable oils delivers more performance with less volume.

**Chlorine Inhibitor**

Fulltec Oil has the ability to reverse the negative effects that Chlorine has on biological products. It provides the safety, within the tank, that biological products require during application.

Highly concentrated vegetable oil

High performance surfactants

Less crop injury
