Credit Application and Note TERMS & CONDITIONS

Credit Limit; Payment. Upon The Company's approval of, and in reliance on, credit information submitted by Applicant to The Company, The Company may assign a maximum credit amount to Applicant from time to time and The Company may permit Applicant to obtain goods and services on credit up to such credit limit. Such credit will be governed by the terms of this Agreement, and The Company retains the right to reduce the credit limit and terminate Applicant's right to credit at any time without prior notice except as otherwise required by law. Applicant represents and warrants that the information provided by Applicant is complete and accurate. For value received, Applicant promises to pay to the order of The Company the amount of credit as may be advanced by The Company from time to time in cash or credit as evidenced on the books of records of The Company, plus a finance charge thereon established hereunder for any amounts not paid when due, plus all other fees imposed by The Company from time to time, plus all costs of enforcement (including attorneys' fees) and other remedial obligations imposed on Applicant hereunder. Payment shall be made within the time period specified in any applicable invoice, or if no invoice or date is used within thirty (30) days following the date of delivery of products and services. Payment shall be made to The Company at the address provided in any invoice, or if no invoice or address is provided, to The Company at the address for notice set forth herein. Applicant authorizes The Company to process any checks submitted as an automated clearing house transaction. Applicant acknowledges and agrees to be bound by the terms of any purchase program, offering, invoice, policy or procedures of The Company, whether related to credit requirements or otherwise.

Term and Termination. The term hereof shall commence on the date of execution by Applicant and shall continue for a period of one (1) year. This Agreement shall automatically renew for one (1) year terms on subsequent anniversaries of such date unless terminated as set forth herein. This Agreement may be terminated by The Company for any reason upon notice to Applicant. Applicant shall have the right to terminate this Agreement upon thirty (30) days' notice to The Company; provided, however, that such termination shall not be effective unless and until Applicant is in full compliance with the terms hereof. No termination by either party shall impair the rights The Company or the duties of Applicant arising on or prior to the date of termination, and all representations, warranties, and obligations of Applicant shall survive any such termination.

Default and Remedies. Occurrence of any of the following shall, at The Company's option, and without notice or demand on Applicant, constitute a default: (a) the failure to make any payment hereunder before due date; (b) breach of any representation, covenant or obligation under this Agreement or any other agreement between the parties or between Applicant and any affiliate of The Company; (c) a default by Applicant under any other promissory note executed by Applicant, or any one of them, and payable to The Company; (d) if any statement or report furnished by Applicant to The Company is false in any material respect; (e) if Applicant sells its business, is dissolved, ceases to exist, declares insolvency, is the subject of any proceeding under any bankruptcy or insolvency laws, or is the subject of any proceeding under any state or federal farm or agricultural debt mediation law; and (f) any reasonable insecurity of The Company subjectively measured. In any event of default hereunder by Applicant, all of The Company's obligations hereunder shall immediately cease and The Company shall have the right to specific performance, injunctive relief, money damages, offset against amounts owed, or immediate termination of this Agreement upon notice to Applicant, and Applicant shall be responsible for all of The Company's costs of enforcement of this Agreement, including all court costs and attorney's fees. In addition, at The Company's option, all unpaid indebtedness of Applicant to The Company shall become immediately due and payable, without notice to or demand upon Applicant. Applicant's obligations with respect to the indebtedness shall be absolute, irrevocable and unconditional, irrespective of the legality, validity, regularity or enforceability of any of the indebtedness or any related agreements or instruments in respect of any of the foregoing and shall be subject to any counter claim, set-off, deduction or defense based upon any claim Applicant may have against The Company or any other person shall remain in full force and effect without regard to, and shall not be released, discharged or in any way affected by, any circumstance or condition whatsoever (whether or not such assignee shall have any knowledge or notice thereof), including, without limitation any event or circumstance that would constitute a defense of legal or equitable discharge, except payment in full of the indebtedness. Except to the extent prohibited by law, Applicant hereby grants The Company, its successors and assigns (specifically including any assignee permitted in this Agreement), an irrevocable power of attorney to endorse and/or negotiate on Applicant's behalf any checks or other instruments which are jointly payable to Applicant and The Company and apply the same against the indebtedness. The foregoing power of attorney shall not be affected by subsequent disability, incapacity or incompetency of Applicant and shall not be exercised by The Company until the occurrence of an event of default. All acts of such attorney are hereby ratified and approved, and The Company shall not be liable for any act or omission or for any error of judgement or mistake of fact or law. The Company's rights and remedies shall be cumulative and nonexclusive and may be exercised without any notice, demand, defense, claim, counterclaim, offset or other right or action to which Applicant may be otherwise entitled, all of which are hereby expressly waived. The Company may assess a late charge on the unpaid principal balance at any applicable due date, which shall be the lesser of the rate of twenty-four percent (24%) per annum or the maximum legal rate, and payments shall apply first to unpaid late charges and then to the unpaid principal balance.

Indemnification; Limitation of Liability. The Company shall not be liable under any circumstances or legal theory, tort (including negligence), contract or otherwise, for any lost profits or any form of consequential, incidental, indirect, punitive or special damages arising out of or relating to this Agreement even if advised of the likelihood of such damages occurring.

No waiver of any default shall be deemed as a waiver of prior or subsequent default of the same or of other provisions of this Agreement. If any provision hereof is held unenforceable, such invalidity shall not affect the operation of any other provision and such invalid provision shall be deemed to be severed from this Agreement. No rule of strict construction shall be applied to the interpretation of this Agreement. This Agreement shall be governed in accordance with the laws of the State of Missouri without regard to conflict of law principles, and any action arising hereunder shall be brought in the Circuit Court of Adair County, Missouri, all protests based on jurisdiction or venue being hereby waived.
