The goods and services shown below are those we can provide to our customers. This list does not include prices for certain items that you may ask us to buy for you, such as cemetery or crematory services, flowers, and newspaper notices. 4. ID Viewings consist of 1-2 individuals and must be scheduled at least 48 hours in advance, with approval from crematory staff. Families must view from the family viewing room and will not be permitted in the crematory area. The family must sign and complete our ID Viewing form prior to the viewing. An ID Viewing will be arranged for one or two family members for the purpose of identifying the deceased. When additional family members are present, or services for the deceased occur, the charge for a family viewing will be applied. ID Viewings must conclude by 5:00 PM.
