

WEEKLY THEMES!

BUTTERFLIES, BEES, AND BUGS

WEEK 1: JUNE 8 – 12

This week, campers will dive into the wonderful world of bees, butterflies, and other important bugs. Children will learn how pollinators help plants grow, explore insect habitats, and discover why bugs are essential to our environment. Elementary students will also take a walk to visit the bee hives at Madonna for a close-up look at how bees live and work together.

DINOSAURS

WEEK 2: JUNE 15 – 19

Dinosaur invasion this week as we learn about the prehistoric world and set up a fossil dig.

READING

WEEK 3: JUNE 22 – 26

A celebration of reading abounds this week with lots of reading fun and favorite characters. Our Livonia librarian is always a student favorite and we'll host a Scholastic Book Fair so you may stock up on summer reading (to avoid that "summer slide").

QUARTER MILLENNIAL

WEEK 4: JUNE 29 – JULY 1

Join us as our country celebrates a Quarter Millennial or Semicentennial (Wow, 250 years)! Students will learn about our history, create patriotic crafts and snacks, and celebrate! Parents are invited to join us for an ice cream social and field games Wednesday, July 1st, from 3:30-4:30 p.m.

LEGO CHALLENGES FOR CURIOUS MINDS

WEEK 5: JULY 6 – 10

Camp explorers will enjoy hands-on activities like learning to code with LEGOs and tackling fun LEGO challenges. Plus, Mad Science will join us for an exciting, hands-on workshop!

SKELETONS/ HUMAN BODY

WEEK 6: JULY 13 – 17

Campers will explore the amazing human body, focusing on bones, skeletons, and how our bodies move. One session will be dedicated to movement, giving children a fun, hands-on way to learn how their bodies work.

FAIRY TALE STEM

WEEK 7: JULY 20 – 24

Join us as we save favorite characters from nursery rhymes and fairy tales with our STEM inventions. How do we protect Humpty Dumpty from a great fall? Can Rapunzel get down from the tower? Are you able to build a sturdy bridge?

ART HISTORY

WEEK 8: JULY 27 – 31

Part One: This week we'll explore artists' styles and a variety of media to create our own creative variations of famous pieces. In Elementary camp, Ms. Aria (an art teacher) will host art studios to cultivate artistic styles.

ART HISTORY

WEEK 9: AUGUST 3 – 7

Part Two: This week we'll explore artists' styles and a variety of media to create our own creative variations of famous pieces. In Elementary camp, Ms. Aria (an art teacher) will host art studios to cultivate artistic styles.

WEEK 10: AUGUST 10 – 14

CH – MUSIC EXPLORATION

Camp explorers will learn about music and make some instruments.

EL – MUSICAL

Audition (earlier in the summer) and join the cast or stage crew of "Munchkin Mediation" to rehearse this week and perform for our families. The musical visits the land of Oz a year later when Dorothy returns and finds all her friends quarreling. With memorable tunes and humor, the songs introduce strategies for "active listening", "win-win solutions", and much more.

BIBLE SCHOOL – MAGNIFIED

WEEK 11: AUGUST 17 – 19

Campers will learn to see God's greatness in the smallest details. There's always something God wants us to notice!
