*The Word of  
the Lord*

2026 Will Be  
Our Most Productive  
Year Yet.

Make My Church  
Conducive To  
The Lost.

Matthew 28:19-20

Productive Ministry looks **like people being helped.**

People are coming. **Be ready!**

*Bring them in, **GO GET THEM!***

**FILL THIS HOUSE!**

# MISSION STATEMENT

Take a group of people, disciple them intensely in the Word of God, teach them an uncommon faith, and help them stand victoriously in life.

# MISSION STATEMENT

Take a group of people, disciple them **intentionally** in the Word of God, teach them an uncommon faith, and help them stand victoriously in life.

A Church With Intention.

CONNECTION & COMMUNITY

# A Church With Intention.

## Intentional

implies purpose, awareness, and often connection to others (e.g., **being intentional** in a relationship means you're thoughtful about your actions toward someone).

## Intensely

describes degree or strength (how strong something feels), not necessarily connection or meaning between people.

Four Parts
