SCHOOL GIVING
WEEK EVENTS

Why we need your help?

Story Dogs is the spark to light the fire!

Classroom Teacher Janelle Kirk's feedback on one of her students who was part of the Story Dogs program.

Matthew is in year 4 and finds reading a negative experience. After working with Meg and her dog 'Kaya' Matthew is now prepared to look at books and have a go.

A huge change from "books are stupid" or "no, I don't want to read".

Host your own school fundraising event!

Let us help make your event EASY! We have resources, posters, ideas and even a dog! Let us know when your event is and we can organise to be there.

Email us on: admin@storydogs.org.au

All of our Dog Teams are volunteers, giving of their time and wonderful dog, but they do need support

Story Dogs accredits, trains, supports and gives all volunteers their starting kit for free. We also provide insurance, recognition and ongoing training. All of this takes resources that we need funds for.

"Education is not the filling of a bucket but the lighting of a fire".

William Butler Yeats
