

Dear potential sponsor,

Thank you for taking the time to consider supporting Rage Baseball!

Rage Baseball is a nonprofit organization that has served the San Juan Basin for the past 22 years. We consist of multiple youth baseball teams serving ages 8-18. Our goal as an organization is to provide our local youth with the opportunity to learn valuable life skills like teamwork, discipline, hard work, and sportsmanship while gaining the skills and exposure to receive a chance to play at the college level. We are building the future leaders of our community.

This past season we had 16 teams that served 213 players as well as running two different leagues that served over 500 players. We also provided local summer jobs for our youth by hiring them to umpire and help run tournaments. This fall we started a College Showcase team that consisted of 20 local Junior and Senior athletes that traveled to 5 different colleges to give them the exposure they need to be recruited to play at the college level.

As we prepare for our upcoming season, we are seeking help in covering essential costs for uniforms, insurance, equipment, league fees, tournament fees and travel expenses. As the cost of playing baseball has gone up over the years, we are doing everything in our power to ensure that each kid that wants to play baseball is given the chance. With the help of people like yourself we can make sure that money is never the determining factor in whether a child can play.

In this packet you will see a document describing all the different packages that we have put together for our sponsors. The packages are not the only way of sponsoring! Please feel free to reach out to us with any questions or concerns that you may have.

Thank you for considering this opportunity. And please browse our website @
