

WHY CHOOSE CUMMINGS MANAGEMENT?

EXPERIENCED STAFF

Senior, credentialed managers in-house to ensure professional guidance for your community. Accounting staff lead by internal CPA to ensure strong financial reporting.

COMMUNICATION

Cummings provides a dedicated management assistant to provide easy accessibility for your homeowners. Regular communications are sent via broadcast notices, newsletters and posts to the community web portal, aimed to keep all parties informed of the community activities.

EDUCATION

Managers continually educated through industry specific classes & training sessions. Cummings also supports our staff and Boards by hosting webinars & seminars with industry experts to keep current with the ever-changing laws and growing trends.

VERIFIED VENDORS

Contractors that work on your property are verified through a Third-Party vendor verification system. Verified vendors are screened for licensing, proper insurances and all policies are tracked for active status while on-site helping to minimize losses caused by vendors.

TRANSPARENCY

Our online management system allows 24/7/365 online access to your Association's requests and financial information. Owners and Board members have online, user permission-based access to allow efficient and controlled accessibility to the items of importance to each user type.

LONG TERM RELATIONSHIPS

Cummings is proud to state that our very first client in 1977 is still under active management. Long term relationships with our clients, industry professionals, supporting vendors and talented staff has been the bedrock of our success.
