Dear Parents/Carers,

Hello Yellow Day- Friday 9th October 2025

On Friday 9th October 2026, we will be taking part in 'Hello Yellow' Day. We are inviting all children to come to school **wearing something that makes them feel happy or alternatively, something yellow!** We are also asking for a **£1 donation**, payable on ParentPay, that will be donated to the charity 'Young Minds'.

Young Minds is a charity that supports young people's mental health and aims to provide people with the tools to be mentally healthy with the confidence to let their voices be heard. Hello Yellow Day is their annual campaign that aims to raise awareness and funds to support young people's mental health.

Throughout the day, all children will discuss the meaning of mental health and why it is so important for us to look after our own. We will recognise different emotions and feelings, learn coping strategies and discuss who we can turn to for support.

Additionally, Mrs Tunstall and Mrs Glaze will be preparing a special 'Hello Yellow' lunch menu.

Many thanks for your support.

Yours sincerely,
Miss Felton
