Dear Families/Carers,

Rodbaston Animal Zone - Nursery Trip Tuesday 23rd June 2026

We are very excited to share that the children will be going on a school trip to Rodbaston Animal Zone on **Tuesday 23rd June 2026**.

This visit links closely with the children's learning during the summer term and will provide a wonderful opportunity for them to explore, observe, and learn more about animals in a hands-on, engaging environment.

The children will travel to and from the Animal Zone by coach. Once there, they will take part in a tailored educational session led by the Animal Zone staff, where they will discover lots of interesting facts about different animals and enjoy interactive experiences designed especially for their age group.

The cost of the trip will be **£25 per child**, which covers coach travel, entry, and the educational session. This is now available to make payment via ParentPay. We have set up instalments to start in January but you can pay as and when you like. The full amount will need to be paid by the end of May.

We will leave school at around 9:30 am and plan to return at approximately 12:30 pm. Please ensure your child wears their school uniform, as this provides an extra level of security during the trip, along with weather-appropriate clothing. Children who usually stay at school for lunch will have their lunch once we return. During the trip, we will provide snacks and drinks to keep the children comfortable and hydrated.

We are really looking forward to this exciting experience and know the children will have a fantastic day exploring and learning alongside their friends.
