

Glenthorne Community Primary School Analysis of Sports Premium 2024/2025

What is Sports Premium Funding?

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to: develop or add to the PE and sport activities that your school already offers and/ or make improvements now that will benefit pupils joining the school in future years. Sports Premium can not be used to deliver the minimum requirement of the National Curriculum or to cover the planning preparation and assessment time of teachers known as PPA. The total amount received in 2023-24 is £18,660.00.

Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve **self-sustaining improvement** in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

- the engagement of **all** pupils in regular physical activity - kick-starting healthy active lifestyles
- the profile of PE and sport being raised across the school as a tool for whole school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Under the Ofsted Schools Inspection Framework 2015, inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively governors hold them to account for this. Schools are required to publish details of how they spend this funding and the effect it has had on pupils' PE and sport participation and attainment.

Glenthorne Community Primary School 2024/2025 Summary (Review of Last Year)

Key priorities to date:	Key achievements/What worked well:	Key Learning/What will change next year:
<p>1. To improve the engagement of <u>all</u> pupils in regular physical activity - kick-starting healthy active lifestyles</p> <p>2. To raise the profile of PE and sport being raised across the school as a tool for whole school improvement</p> <p>3. To ensure increased confidence, knowledge and skills of all staff in teaching PE and sport</p> <p>4.
