

Year 6 Newsletter

Autumn 1—2025-2026

English

Our text this half term is 'Rose Blanche' by Ian McEwan and Roberto Innocenti. This book tells the story of a young girl living in Germany during World War II. Rose observes all the changes going on around her which others choose to ignore. She watches as the streets of her small German town fill with soldiers.

Science

Our topic this half term will be 'Light'. During this topic, we will be learning about: how light travels; different light sources; reflections and how this enables us to see certain objects.

Maths

This half term, we will be focussing on place value, addition, subtraction, multiplication and division. We will be learning to: compare, round and order any integer up to ten million; identify multiplies, factors, prime numbers, square numbers and cube numbers; add, subtract, multiply and divide numbers (including decimals) and use of order of operations to complete calculations.

Please remember to read your books at least 3x weekly. Reading Records are due in on **Monday**.

Spelling tests are on a **Friday**- use Spelling Shed to help you learn!

PE days- 6NT- Friday; 6DT- Wednesday
