

Year 5 Newsletter

Spring 1 2024-2025

English

During the beginning of this half term, we are continuing with 'Orange in No-man's land'. After we have finished that, we will be looking at 'Odysseus Greeks myths'

This book is all about the myths from Ancient Greece. We will journey into a world of gods and goddesses, heroes and heroines, extraordinary creatures and fantastic monsters. We will be looking at well-known myths and some that we haven't heard before!

Science

This half term, we will be studying properties of materials. Our topic is 'Music Festival Materials'. Through this topic, we will be looking at what materials are best for a certain purpose and why.

Maths

This half term, we will be learning to multiply and divide increasingly larger numbers. We will be learning to: Multiply 2-digits by 2-digits, 3 digits and 4 digits and divide with remainders.

We will also be looking at fractions and learning to find equivalent fractions, compare and order fractions, turn mixed numbers into improper fractions and add and subtract fractions with different denominators.

Please remember to read your books at least 3x weekly. Reading Records are due in on **Monday**.

Spelling tests are on a **Friday**- use Spelling Shed to help you learn!
