December, 2025 | Volume 02

At Resilience, we are more than a cybersecurity provider—we are your trusted partner in safeguarding your digital world with the confidence and integrity to thrive securely in the digital age.

It's the most wonderful time of the year!

But **beware**, as hackers become more active – your systems may be at risk. **Don't let a cyber attack ruin your holiday cheer!**

In case of an incident, remember: Resilience by Eco are your trusted cyber specialists who can help protect and recover valuable data.

Stay secure this holiday season.

Scotland's new digital strategy

Scotland's new Digital Strategy makes one thing clear: digital capability, AI, and strong cybersecurity will shape how every organisation operates in the years ahead.

At Resilience by Eco, we're helping businesses across Scotland strengthen their security posture, adopt new technologies safely, and build genuine digital confidence without the complexity or jargon.

If you're looking to align with the Strategy and protect your organisation as you grow, we're here to support you.

December Special Offer

Gift your business peace of mind.

Whether it's Cyber Essentials certification, cyber awareness training, or basic vulnerability scanning – small improvements make a massive difference.

Sign up today! Use code **JAN26** for a 10% discount for all services booked for January.

How Resilience can help this Christmas

This festive season, if you find yourself hacked, **DO NOT PRESS PAUSE!**

Contact Resilience by Eco on 01461 500206 immediately.

Swift action minimises damage and protects your information. Remember, delaying could cost you thousands in recovery expenses. **Stay vigilant and protect your digital assets.**

Thank You & What's Coming in 2026

As the year comes to a close, we want to thank all our clients for their continued trust and partnership. We look forward to bringing you new service improvements in 2026, including enhancements across cyber security, telephony and cloud management.

We wish you a safe, secure and peaceful festive season.
