## Our History and Service to those in need:

Our Lady of Mt. Carmel Conference of the Society of St. Vincent de Paul is a non-profit organization and formed in 2010 to assist neighbors in need in southern Monroe Co.

We offer tangible aid to those in need on a person-to-person basis through our visits by trained volunteer members. As we attend to the immediate basic needs (food, utilities, housing). We offer referrals to other resources and supportive attention and prayer. We provide a hand up not a hand out. We make no distinction in those we serve in our community.
