THE PROBLEM

Challenges Are Real. Young People Need Us.

Across Las Vegas, Chicago, and Nashville, thousands of teens and young adults in underserved communities are navigating poverty, limited technology access, violence, and a lack of mentorship without the skills or support to break the cycle.

With the right support, a better future is possible, and that is exactly what we provide.

Mission. Vision. Pillars.

MISSION

We equip teens and young adults with mentorship, technology, and entrepreneurial skills that expand awareness, unlock opportunity, and disrupt cycles of community deterioration and juvenile delinquency.

VISION

We envision thriving communities where every young person regardless of race, religion, or background has equal access to opportunity, support, and pathways to success.

THE GRIND PHILOSOPHY

Building Greatness Through Purpose-Driven Work

KaVonte Carthron is the Founder of **GodWork Foundation**, a mission-driven organization dedicated to empowering teens and young adults through mentorship, technology, and entrepreneurship. Guided by a belief that purpose, discipline, and opportunity can transform lives, he created...

GodWork Foundation

...to provide innovative programs that equip young people with the tools, mindset, and support needed to rise above challenges and build meaningful futures. Through community impact initiatives and youth-centered development, KaVonte is committed to turning faith, vision, and action into real opportunities that strengthen individuals, families, and communities.

FADDs of Life

5-Week Curriculum

A structured, outcomes-driven program that walks participants through a transformative journey from self-awareness to action.

Week 1

Self-Discovery: Understanding identity, strengths & values

Week 2

Emotional Intelligence: Regulation, empathy & communication

Week 3

Relationships: Healthy connections, boundaries & conflict resolution

Week 4

Goal Setting: Vision, planning & personal responsibility

Week 5

Action & Purpose: Creating a path forward and giving back

Outcome: Participants leave with self-awareness, communication skills, and a personal action plan for their future.

Spark AI

COMING 2026

Our boldest program yet, Spark AI will introduce young people across all three cities to the world of artificial intelligence, computer literacy, and digital innovation.

AI & Computer Literacy

Foundational skills in modern technology, software, and AI tools.

Hands-On Tech Labs

Build, explore, and experiment with real hardware and software.

Digital Career Pathways

Connect skills to real jobs in tech, design, and innovation.

Your Investment Launches This.

Spark AI represents the next frontier of GodWork impact. Donors who partner now are helping build the infrastructure, curriculum, lab, and technology, that will serve hundreds of students at launch.

LAUNCH GOAL

**Full program launch
across all 3 cities
by end of 2026**

Next Frame

Turning Vision into Venture

Next Frame through filmmaking, equips young people with the entrepreneurial mindset, creative skills, and practical tools to identify opportunities, build ideas, and launch ventures that serve their communities.

Ideation & Creative Thinking

Finding problems worth solving and generating business ideas.

Branding & Storytelling

Crafting a compelling identity and sharing it with the world.

Financial Basics

Budgeting, revenue models, and sustainable business planning.

Pitching & Presenting

Communicating value and building confidence as a leader.

*The next frame of your
story starts with you.*

-- Next Frame Program Mantra

Outcome: Participants develop a business concept and pitch it, building real-world confidence and entrepreneurial skill.

Three Cities. One Movement.

GodWork Foundation meets young people where they live, building grassroots impact in three major cities.

LV

Las Vegas

Nevada

Home base for GodWork Foundation, serving youth across one of the most diverse and fastest-growing metro areas in the country.

CHI

Chicago

Illinois

Where the founder's story began, bringing the programs back to the communities that inspired the GodWork mission.

NASH

Nashville

Tennessee

Expanding impact in Music City, connecting youth entrepreneurship and creativity to a culture of innovation.
