Welcome Back to St. Charles Catholic School!

We are so excited to open our doors and hearts to each of you for another year of learning, growth, and faith-filled adventures. Whether you're returning to familiar hallways or stepping into them for the first time, know that you are an important part of our school family. Together, we will explore new ideas, strengthen our friendships, and grow closer to God in all we do. Let's make this year one of joy, kindness, and excellence—welcome back, with a new welcome extended to our newly enrolled families!

School Open House is Wednesday, August 12th, from 5:00 to 6:30 PM. We begin in the parish hall to welcome all. Bring your supplies to the classroom after the welcome, and meet the teacher!

6th-7th-8th Grade Girls Volleyball Practice Begins Aug.

10th Coach Haozous and Coach Robinson are excited to begin the volleyball season and need at least 7 girls to participate. Girls were given packets today for permission and health physicals. Please turn in packets by this Friday to begin practice on Monday. Practices will be at the Gilson Wash Activity Center on Mondays (3:30 to 5 pm) and Wednesdays (12:30 to 2 pm) for August and September. So far, we have 2 games with San Carlos Middle School. We will post a full schedule once all girls are signed up. Remember, we need at least 7! Go Angels!

We need parent volunteers! Let us know how you can help.

St. Charles - TANF Bus Schedule

St. Charles Catholic School offers several bus routes, to and from school to a limited number of students each year. Parents must sign up for bus service prior to the start of each school year. Please call the school office for information.

SCHOOL BUS RULES - Riding our school bus transportation service is a privilege, not a right. Improper behavior may result in a student being removed from riding the bus either on a temporary or permanent basis. The bus driver is in charge. Students must obey the driver. The bus is an extension of the classroom and misbehavior will not be tolerated. Please see the St. Charles Family Handbook, p. 15 for full disclosure of the bus transportation policy.

School Upgrades & Projects

We are working on many improvements for our students at St. Charles. Our kitchen is almost complete and we are working on menus for our students. The junior high building is scheduled to be completed after Labor Day. The next scheduled projects will be renovations on our school entry for flood prevention; and the Kindergarten-1st grade playground will include artificial turf, safety checks on the existing structures, privacy fencing with additional shading (with a grant received from Resolution Copper). We thank our many benefactors for assistance with our many needed structural projects. We will continue to make future updates.
