

FUNDRAISING INITIATIVES

Empowering Non-Profits Through Effective Fundraising

TBPG Fundraising Initiatives offers a unique platform for non-profit organizations, empowering them to generate funds through engaging fundraising activities. By utilizing TBPG's comprehensive resources, participating organizations can tap into new revenue streams while promoting their cause.

HOW IT WORKS:

1 PARTNER

Non-profit organizations partner with TBPG to promote and sell raffle tickets through the TBPG raffle platform.

2 PROMOTE & SELL

Each organization agrees to actively market the raffle, encouraging their community and supporters to purchase tickets.

3 EARN & IMPACT

Once a raffle concludes, the participating non-profit will receive a percentage of the total ticket sales, providing a financial boost to their initiatives.
