

Your nonstop life

24/7 access to \$0 virtual urgent care

When you choose a UnitedHealthcare® Individual & Family Marketplace plan on the Exchange, you'll get all the essential health benefits covered under the Affordable Care Act. Plus, you'll get \$0 virtual doctor visits for a variety of care needs.

24/7 access to virtual urgent care

Optum Everycare Now connects you to urgent care within minutes from the comfort of home or wherever you are. It offers the same care you'd get in person without the need to travel or sit in a waiting room. Plus, if your provider determines that medications are needed, they can write a prescription and send it to your pharmacy of choice on your behalf or have it shipped to your home.

The following common conditions can be treated 24/7:

- Cold and flu
- Sore throat
- Upper respiratory infections
- Sinus infections or sinusitis
- Stomach pain
- Seasonal allergy symptoms
- Skin conditions including bug bites, poison ivy, hives, eczema, cellulitis and psoriasis
- Headaches
- Pink eye
- Urinary Tract Infections (UTIs)
- Minor bruises and burns
- Cuts and scrapes that don't require stitches

A UnitedHealthcare Company

Some plans may require copayments, deductibles and/or coinsurance for these benefits. Plans in metal tiers varies and are subject to plan deductibles, copayments, and coinsurance. This policy has exclusions, limitations, reduction of benefits, and terms under which the policy may be continued in force or discontinued. For costs and complete details of the coverage, review your plan documents, call or write your insurance agent or the company, whichever is applicable. By responding to this offer, you agree that a representative may contact you. Plan specifics and benefits vary by coverage area and by plan category. Please review plan details to learn more. The above is an independent insurance broker presenting plans underwritten by UnitedHealthCare Insurance Company or their affiliates. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. Virtual visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Check your benefit plan to determine if these services are available.
