Terms

1. Orders must be received by Cabinetworks Group between June 16, 2025 and July 25, 2025 at 11:59pm to obtain promotional offers.
2. Rewards will be based on cabinet quantity invoiced by Cabinetworks Group, not cabinet quantity ordered by designer.
3. You must register prior to placing your order. Registration for your Designer's Connection Award Number is not retroactive. That is, if you place an order within the promotional period before you register for your Rewards Number, you will not receive credit for that order.
4. New employers or additional accounts must be added to the Designer's Connection Award Number before the designer can earn rewards for orders placed through those dealer's accounts.
5. If the Designer's Connection Award Number is left off at the time of order, the designer must contact designersconnection@cabinetworksgroup.com before the order ships. Otherwise, the rewards for that order will be forfeited. Check orders for your Designer's Connection Award Number on tandem.cabinetworksgroup.com.
6. Promotion does not apply to display purchases, warranty, or no charge orders.
7. Project Accounts do not qualify for this promotion.
8. Only orders for the same residence, received on the same day can be combined.
9. Cabinetworks Group reserves the right to change the terms of this promotion or discontinue it at any time.
10. If the designer separates from a participating dealer prior to an order being invoiced, dealer must notify Cabinetworks Group immediately, as the designer is no longer eligible to receive a reward for that order.
11. The noted dollar per box is the new spiff total June 16, 2025 through July 25, 2025. This spiff will not be combined with any other current spiff.
