First Place Winner!

By: Elijah Haines, Age 14, Wyoming, USA

Description: Catching your first big fish is exciting!

Genre: Comedic

Fishing is so boring! Why in the world did you bring me out here? We've been out since dawn and we haven't even gotten a single bite! (Jerks forward.) Hold on... I got a bite! Oh my gosh! Dad, I think I'm catching the biggest fish in the world! I can see it now! I'll enter the fish into a contest, and the judges will be so impressed they'll tell the biggest museum in the world! Then they'll pay me a billion dollars! We'll eat the fish! We could invite the entire city and still have leftovers! (Pulls; falls backward. On the line is a tiny fish.) Where's my... oh. I guess you can cancel all the invites. See? This is why I hate fishing!
