Second Place Winner!

By: Kylie Frankel, Age 13, Florida, USA

Description: A girl named Monday laments her unfortunate name

Genre: Comedic

I'm always hearing people say, "I hate Monday!" and "Monday is the worst!" And y'know, it kinda hurts. Why? See, my name is Monday. Yep, Monday. My mom looked at me and thought, "Let's name this one Monday. The world will love her."

Well, they don't.

Why am I named after the most hated day of the week? I could've been Friday, Saturday, even Sunday, but Monday? Really?!

My cousin Friday gets introduced and people practically high-five her. They hear "Friday" and think, "Yay, let's party!"

They hear my name and think, "Oh no, I have school." So, next time you say, "I hate Monday,"

Monday hates you too!
