

Prayer

LARGE GROUP - PRAYER

DISCUSSION QUESTIONS

- 1 What is one chore or rule you really dislike doing (like cleaning your room or eating vegetables), versus something you actually want to do in your free time?
- 2 Why do people sometimes treat talking to God like a boring rule instead of a fun or comforting conversation?
- 3 If prayer helps us know God better, what do you think might change in our lives as we keep praying?
- 4 How do you think prayer can change us, not just our situations?
- 5 Do you ever feel like God is too busy for you, or that your prayers are too small or messy? What helps you remember that He actually wants to hear them?
- 6 ***For older students*** - If prayer is a gift and God is good, how do we handle the times when we ask for something important and the answer feels like a "no" or silence? How does that affect how we view prayer?
