

First Name	Initial	Small Group	Grade	Gender	DOB	Student Interests & Hobbies	Additional Information
Zachary	P	1	2		11-21-18		
Katherine	R	1	2		3-17-18	Piano, singing, crafts, animals	
Jonah	C	1	3	Male	7-27-17	Puzzles, brain teasers, reading, creative writing	
Emme	H	1	3		6-24-17	Loves art, creating costumes and sets, singing, dancing. She takes a ballet/modern dance class.	Emme has ADHD and also sensory processing disorder. She can get super focused and zoned in on something she enjoys doing (like crafting for hours), easily zoned out and in her own world, so can be challenging to get her attention. Her ADHD is not the hyperactive kind, so she is a great listener and does well with things she loves. She can find things boring if she's not actively engaged, and experiences social anxiety at times with new things, and things like group games.
