## **OUTER BURIAL CONTAINERS**

*Prices effective October 10, 2025 and are subject to change without notice.*

*In most areas of the country, state or local law does not require that you purchase a container to surround the casket in the grave. However, many cemeteries require that you have such a container, so that the grave will not sink in. Either a maintenance shell (grave liner) or a burial vault will satisfy these requirements.*

**WARRANTY DISCLAIMER:** Our Funeral Home makes no representation or warranties regarding outer burial containers. The only warranties, expressed or implied, granted in connection with goods sold are the written warranties, if any, extended by the manufacturer thereof. No other warranties, and specifically no implied warranties of merchantability and fitness for a particular purpose, are extended by the Funeral Home.
