

#### WHEN TO REGISTER:

January 13<sup>th</sup>-Registration for current, former, church member families and former Summer Camp families begin.

February 3<sup>rd</sup> -Registration for Friends and Family of Current Families.

February 5<sup>th</sup>-Registration and Open House to the public. For your convenience an open house, tours and registration can be done on that day from 10:00-12:00. After the February 5<sup>th</sup> Open House, a tour may be scheduled if we have space available for your child.

#### HOW TO REGISTER:

\*Receive a registration application and contract from the school.

\*Return completed form with full payment of \$100.00 (or \$125.00 for multiple children) family registration fee and 1<sup>st</sup> month tuition. Both the registration fee and first month of tuition are non-refundable. You may make payments via cash, money orders, checks or through our on-line pay portal. Please absorb the fees associated with cc payments.

Spaces will be filled on a first-come first-served basis by those who have completed the registration form, contract and made their payment.

If full, your family can be waitlisted. You will not be charged a fee until you have a space in the school. We will contact you if a space becomes available.

10% discount given to families with multiple children enrolled for months 2-9. No discount applied to registration fee and 1<sup>st</sup> month.

information for fall will be emailed by  
8/15/2026

## CLASS DESCRIPTIONS

### Pre-K 2 Program (2 by 9/1/26)

Our Pre-K 2 program has been developed to be child's first experience away from home in a school environment. The focus of this age group is on social interaction and verbal communication. Time is spent in exploration of their environment through play and many hands-on activities, as well as time for stories, songs, fingerplays and small and large motor development.

### Pre-K 3 Program (3 by 9/1/26)

Our Pre-K 3 Program includes time for social interaction, further language development, increased development in small and large motor skills; including structured small and large group times. The children will explore their environment through many diverse hands-on experiences and play.

### Pre-K 4 Program (4 by 9/1/26)

Our Pre-K 4 program provides an opportunity for the child to explore with materials, ideas, and personal relationships as a firm foundation for their future in kindergarten. This is a Pre-Kindergarten readiness program.

## Kindergarten(K)/\*Transitional Kindergarten(TK) Program

(Must be 5 by December 1, 2026)

### Class Options:

M-F 9:15-1:00 \$430.00 per mo.

Add Extended Day (Multi-age Class 1:00-3:00)  
K/TK & M/W/F PM \$545.00 per mo.  
K/TK & T/TH PM \$520.00 per mo.  
K/TK & M-F PM \$605.00 per mo.

Our 3/4-day Kindergarten program is designed to meet and exceed the expectations of a typical kindergarten program. The small class size allows more one-on-one interaction between the student and the teacher. Learning to function in a group yet maintaining their individuality is our goal. Our approach to the Core may be a little more hands-on, but the goals are to meet and exceed the standard. Each child will be encouraged to advance at his/her own pace.

Our program is recognized by the MSDE. Children who meet the kindergarten age requirement (5<sup>th</sup> birthday by Sept. 1, 2026) and complete our program are eligible for SMCPS 1<sup>st</sup> grade in the 2027/2028 school year.

\*What is Transitional Kindergarten at our school?  
Our Transitional Kindergarten is in combination with our Kindergarten program and is for the child who is ready for a more advanced, structured program (think kindergarten work), but will not turn 5 until fall 2026 (Sept. 2, 2026-Dec. 1, 2026). SMCPS will not recognize this as kindergarten completion, your child will have to test into K if that is the direction you choose to take. You must contact SMCPS for more information.

Class choice of TK must be a recommendation from your child's current Pre-K teacher or an interview with our school K teacher will be necessary to make sure this is a good fit for your child.
