The **FCA Legacy Night** highlights the Gospel as it is being handed down from generation to generation through the influence of coaches and athletes. This event's purpose is two-fold: First, to honor and show appreciation to our current coaches and donors who serve in FCA. And second, to recruit new coaches and donors to join us in the work of leading every coach and athlete into a growing relationship with Jesus Christ and His Church.

## ABOUT BRAD

Brad St. Louis is a former NFL player who had a decade-long career with the Cincinnati Bengals. Originally from Belton, MO, Brad played football at Missouri State University where he earned All-American honors and went on to be drafted in the 7<sup>th</sup> round of the 2000 NFL draft.

He is married to his high school sweetheart and father to four incredible kids. After coming to Faith in Jesus during his 9<sup>th</sup> year in the league he is grateful for the perspective and experiences God has given him and the platform of the NFL to share messages that point to Him!

Brad takes listeners between the lines and delivers an inspiring Christ-centered talk. Drawing from his unique experiences as a long snapper and his personal journey of coming to faith during his career. Brad immerses listeners into the life of an NFL long snapper and draws out biblical principles to ignite a spark in their faith.
