ART CAMP 101: GROUPS 1-3

Reptacular Animals:

Get ready for an unforgettable experience in this one-of-a-kind “buddy block” class where campers from three different groups will come together to meet and learn about live animals. Jen Laguasker, the owner of **Reptacular Animals Ranch**, **brings her wealth of knowledge of the over 500 animals at her ranch to camp for a week of up-close, hands-on adventure.** From the gentle alpacas to adorable bunnies, campers will have the chance to interact with a variety of fascinating creatures each day. This workshop is perfect for animal lovers and those eager to learn more about the amazing world of animals!

Let's Play:

In this exciting workshop, kids will do what they do best... play! Through a mix of organized games, imaginative play, dramatic activities, and free exploration, campers will engage in endless fun while developing creativity and social skills. Our carefully designed “play centers” will include building with LEGOs, dressing up in costumes, exploring tactile sensory bins, reading stories, and more. With access to our vibrant indoor classroom and expansive outdoor areas (complete with fields, basketball courts, and jungle gyms) your child will have the ultimate playtime experience, indoors and out!

Draw, Paint & Create:

Unleash your creativity in this dynamic arts workshop that blends fine art and fun crafting! Campers will explore sketching, drawing, and painting using a variety of materials to create unique creations. They will also enjoy creating classic art camp crafts! Draw, Paint & Create is the perfect place for kids to express themselves, explore new techniques, and have a blast making art!

Theme Class: The Wild West:

Come explore the exciting worlds of life science & crafts through the lens of barnyard life! Campers will learn all about barn animals, while creating fun, barn-inspired crafts like scarecrows, animal masks, and more! The fun doesn't stop indoors, campers will also take their learning outdoors to our Art Camp Garden, where they'll plant & water some veggies and experience the magic of growing their own plants! It's a hands-on adventure in nature and creativity!

JUNIOR CAMP: GROUPS 5-7

Silly Science Lab:

Get ready for the silliest adventure through the world of science in this hands-on workshop! Campers will dive into outrageous experiments that will have them laughing and learning at the same time! From fizzy reactions and colorful explosions to gooey slime and crazy chemical creations, Silly Science is packed with fun and wonder. This workshop is perfect for curious minds eager to explore the wacky side of science while creating, discovering, and having tons of fun along the way!

From puppet shows and themed games to exciting scavenger hunts and make-believe adventures, each day brings a new story to life. Perfect for kids who love to pretend, create, and explore a little everyday magic!

UPPER CAMP: GROUPS 9- 11

Science & STEM Challenges:

Step into the exciting world of STEM, where experiments and discoveries come to life! In this hands-on workshop, campers will be amazed by colorful explosions, make their own lava lamps, and create

fun (and messy) slime. They'll have the chance to experiment, get creative, and explore how and why things work the way they do. Plus, we'll take on crazy building challenges that will spark curiosity and ignite imaginations. Get ready for a week full of innovative fun!

Photo Skills:

Say cheese! In this creative workshop, campers will dive into the world of photography and learn the basics of capturing amazing shots. Campers will bring their photos to life with activities like scrapbooking, collages, and photo-inspired crafts. Photo Fun is the perfect mix of creativity, hands-on projects, and FUN!!

Cartoon Animation:

Cartooning is an amazing way to learn how to sketch and draw. You will learn how to step by step draw popular characters from Disney, Anime and more. You will also get the opportunity to create your own characters. We will even take it a step further and create storylines with our own comic books!

Ooey Gooley:

Get ready to dive into a world of ooey gooley excitement in this hands-on sensory workshop! Campers will whip up homemade "messy recipes" like moon sand, scented paint, bubbles, sidewalk chalk, flubber, slime, and more. Along the way, they'll discover the science of chemistry behind these creative concoctions. Ooey Gooley is all about tactile exploration, scientific curiosity, and loads of messy, memorable fun!

UPPER CAMP: GROUPS 13-15

Summer Spa pARTy:

Treat yourself to a week of relaxation and creativity in Summer Spa! Campers will craft their own luxurious spa items, including soaps, face masks, bubble baths, and more. Each day, we'll enjoy pampering activities like facials, manicures, and DIY scrubs, making this workshop both fun and rejuvenating. By the end of the week,

campers will have a collection of handmade bath and beauty creations to enjoy at home or give as thoughtful gifts.

Runway Fashion:

Calling all future designers! In this creative workshop, campers will design and craft their own unique clothing and accessories. Using a variety of materials like ribbons, jewels, gems, paint markers, and fabric, campers will transform their designs into runway-worthy pieces. The workshop will culminate in a fabulous kids-only fashion show, where each camper will have the chance to strut their stuff and showcase their one-of-a-kind creations to the rest of the camp! Get ready to turn heads with your fabulous fashion designs!

Paint Studio:

It's time to break out the paint and get creative! In this colorful class, every project features a different painting style or medium, from watercolor and tempera to paint pens and mixed media techniques. Campers will experiment, splash, layer, and design their own masterpieces while learning fun new ways to use paint. Perfect for kids who love getting a little messy and expressing themselves through bold, bright art!

Bejeweled: Diamond Art:

You can make the whole place shimmer with this sparkling workshop! Campers will create stunning, glittering mosaics using rhinestones to craft their mini diamond art projects. Kids will love the calming process of “painting” with sparkles. After all... a diamond’s gotta shine!

TEEN CAMP: GROUP 17

Sculpture Studio:

In this hands-on workshop, campers will bring their creative visions to life through the art of sculpture! Using the principles of sculpture and relief, campers will explore the exciting world of 3D molding and sculpting with a variety of materials, including clay, Sculpey, Model

Magic, wood, wire, and more. With endless opportunities to create beautiful, unique pieces, this workshop will help campers develop their artistic skills while having fun with three-dimensional art!

Content Creators:

In this high-energy class, teens will team up to produce their very own Teen Camp TikTok channel, filming fun, teacher-led videos, dance trends, and silly challenges. They'll learn the basics of filming, editing, brainstorming ideas, and working together to make content that's fresh, funny, and totally viral-worthy. From trending dances to behind-the-scenes moments, every day brings a new chance to shine on camera. Perfect for teens who love being creative, expressive, and a little bit extra!

Cooking Intensive (double workshop)

Art Camp is crazy about cooking! Campers will work on advanced techniques and use professional tools to create delicious sweet and savory foods. We will chop, flip and flambe with Chef Shantai as we learn all of her top secret recipes! Because this is a double workshop, campers will have extra time to create, decorate and enjoy their delicious foods. We will also work on a custom recipe book that campers can take home at the end of the week!
